FRONTEND DEVELOPMENT CAREER OBJECTIVE

- As a fresher, I am passionate about Frontend Development and aspire to create interactive and visually appealing web applications. I am focused on enhancing my skills in React JS, JavaScript, and CSS frameworks like Bootstrap and Tailwind CSS while gaining practical experience in modern web technologies
- My next goal is to transition into MERN Stack Development, where I can learn backend concepts to deliver complete web solutions. I am looking for a role that challenges me and provides opportunities to expand my skills and experience.
